

Hygiene rules at TapBeat, International Tap Dance Center Ongoing 2022

- **Only** vaccinated and recovered persons may enter TapBeat (proof of vaccination or recovery must be at least 14 days old).
- Vaccinated or recovered **without** booster (3rd. vaccin), must bring **an official negative test, not older than 48h.**

People with booster:

- It is recommended to take a self-test once a week. Our dance teachers follow this rule as well.

Masks:

- **Wearing a FFP2 mask is mandatory** within the entire studio space and restroom area. The nose and mouth must remain covered.
- Masks can be taken off when you are on the dance floor.
- No other masks such as cloth or thin medical masks are allowed.

Spacing:

- **A safe distance** from other dancers during dance class of at least 5 feet is allowed.

Children and teenagers under 18 years old:

- Children up to 6 years old are not required to wear masks.
- From 7 years old, FFP2 masks must be worn throughout the studio and during the dance class.
- Children 12 and under are exempt from the 2G rule, **but 6 and older are required to test negative** (test can be done at school).
- Testing Requirement: **A school certificate** for children (ages 7 and up) and youth under 18 must be provided every 2 weeks.

Other:

- Accompanying adults must stay/wait outside.
- TapBeat uses the **IQAir air purifier**: reduces aerosols and viruses in indoor air (also Covid-19). Tested and certified: Features + Description <<http://www.tapbeat.de/de/data/uploads/iqair-luftreinigerbeschreibung.pdf>>
- **If** you test positive, a negative Test result must be proven after quarantine or recovery.

PLEASE act responsibly and let us know ahead of time if you test positive. This is about the safety of everyone who comes to TapBeat and more....

Detailed rules:

1. Pre-registration for classes is mandatory for all students with or without a contract!
2. You can register in advance for several weeks by email or WhatsApp.
3. **Students or people renting the studio with symptoms of illness or contact with people infected with covid19 must stay home!**
4. Escorts - parents, family members or friends - are not allowed in the studio.
5. Please **disinfect your hands** when entering the dance studio. Suitable disinfection dispensers are available at the entrances.
6. 10 minute ventilation breaks are taken after 30 minutes of class/rehearsal time. A professional air filter is on throughout during the dance classes. Entrance doors are kept open by good weather.
7. Water bottles brought to class/rehearsals should be taken back at the end of class/rehearsal.
8. Food is not allowed on the dance floors, only in the wardrobes.
9. The bar area is exclusive to TapBeat staff and is otherwise off limits.
10. Washing facilities are not available after class/rehearsal.
11. After the lesson/rehearsal the participants have to leave the studio quickly.
12. The applicable distance requirement and the applicable contact restriction are ensured by the following measures:
 - a. **Minimum distance of 1.5 m** must be maintained. Exception: persons from the same household or dance ensembles.
 - b. Access to sanitary areas may only be used **individually** and with FFP2 mask.
13. Personal individual measures:
 - a. Persons with identifiable symptoms of respiratory infection shall be denied access.
 - b. TapBeat is required to record the contact information (name, address, and phone number) of all visitors, the time they entered, and the time they left the dance school to allow for infection tracking. The contact data must be kept for 1 month starting from the date of the visit and subsequently destroyed in compliance with the GDPR. The data may not be used for other purposes.

In general:

Persons who are not willing to comply with these rules are to be denied access within the framework of the house rules.
